

COURSE OUTLINE: BARBERING - KS

The Barbering program of instruction consists of 1500 hours. The minimum requirement for Kansas State Board licensing is 1200 hours and the maximum requirement is 1500 hours. Bellus Academy utilizes the maximum training hours in order to incorporate its proprietary system, which utilizes verbal, written, visual and hands-on instruction throughout the classroom and clinic floor practicum. The program length for the Day Schedule is 43 weeks and the Evening Schedule is 60 weeks. Along with high-quality technical training students will learn career development skills such as client consultation, business tracking systems, and marketing strategies, as well as receiving Financial Literacy training. The following is a list of the state of Kansas requirements for technical and practical criteria. The instructional program of our academy meets or exceeds these requirements.

Course Objectives:

Upon completion of the 1500-hour program, the student will have had the opportunity to acquire the technical abilities and the academic theories in compliance with the requirements of the Kansas Board of Barbering. The skills and theories of each service are presented in a progressive manner permitting each student to acquire the maximum degree of technical ability and knowledge.

BARBERING GRADING POLICY:

The school maintains complete records on each student or graduate for reference as required by the State. All students receive a complete theory and practical test (Mock Board) after approximately 75% of the program has been completed. It simulates actual Program's procedure and constitutes a final exam. Individual tutoring, if needed, is available in preparation for the state exam. Each student is graded on their theory and practical work, attendance, appearance, and attitude. The grading used is as follows:

93 – 100	EXCELLENT
85 – 92	VERY GOOD
75 – 84	SATISFACTORY
74 and BELOW	UNSATISFACTORY

Written progress reports are maintained by the academy. Students receive progress reports that must be signed and kept in their file at least two (2) times during their program. Informal progress reports are distributed monthly so students can keep track of their progress. Additional progress reports may be issued to students as requested or on an as needed basis determined by the instructor.
