Individual tutoring, if needed, is available in preparation for the state exam. Each student is graded on their theory and practical work, attendance, appearance, and attitude. The grading used is as follows:

93 – 100	EXCELLENT

Written progress reports are maintained by the Academy. Students receive progress reports that must be signed and kept in their file at least two (2) times during their program. Informal progress reports are distributed monthly so students can keep track of their progress. Additional progress reports may be issued to students as requested or on an as needed basis determined by the instructor.
